A Note From The Mayor

Greetings! Hope everyone has enjoyed the great weather we have had recently. We all know it won't last much longer....the snow and ice will be here soon!

Our City's annual "Light Up" will be Tuesday December 1st. It will be held in the Shively Community Building and will begin at 6:00 p.m. Santa and Mrs. Claus will be here for the children (12 and under, please) and all will receive a stocking from Santa. So kids, get your list ready to give him and remember to be especially good until then!

I would like to thank the council members that help to pass the ordinance that approved the \$100.00 stimulus checks for property owners in good standing. We are going to do our best to have the checks out before the end of the year in time for the Holiday season.

If you are looking for a unique gift, for any time of the year, we still have spaces left around our fountain, located in our large City Park, where you can honor or remember someone in a special way. The bricks cost \$50.00 and they are a gift that will last forever. Please call City Hall at 449-5000 for more details.

Also, if you are looking for a way to give back during the Holiday season, please remember Shively Area Ministries. They can always use non-perishable food, personal items and donations. They can use help all year round but especially during the winter and Holiday season. Their assistance stays in the 40216 zip code area.

I'd like to take this time to thank of our Shively employees, in all departments, that help keep your City well maintained and safe throughout the year. If you see any of them, please take the time to say "thanks", as well.

I hope everyone has a blessed, safe and happy Holiday season in whatever way you chose to celebrate!

Sherry S. Conner, Mayor

Please Do Not Litter

Randomly discarded trash, even the smallest item such as a cigarette butt, endangers our environment, our wildlife and our economy. Our scenic beauty attracts tourists who put millions of dollars into our economy each year. We can't afford to have Kentucky's natural beauty spoiled by litter. As Kentucky residents, littering in our “own backyard” can decrease property values. Littering can result in costly fines from code enforcement.

Please help prevent litter:

- Always dispose of your trash in proper receptacle;
- If you have children, teach them to do the same;
- Carry a litter bag in your car—and use it;
- Never throw anything out your window;
- Always clean up your site after a picnic or other activity;
- Cover trash receptacles tightly when you put them out for collection;
- Secure your load if you carry trash or loose material in a truck.

Free Junk Drop-off Event

November 1, 2015 - 9:00am to 3:00pm

A free bulk waste and junk drop-off event for all Jefferson County residents will be held on **Sunday, November 1, from 9 a.m. to 3 p.m.** at the Waste Management Outer Loop Landfill, **2673 Outer Loop**. Now is the time to get rid of bulky items not accepted by regular garbage collection such as appliances, furniture and mattresses. Residents are asked to separate metal items from other junk. The metal is recycled, saving valuable space in the landfill. Freon will also be properly removed from appliances.

Items that will not be accepted during the drop-off event include yard waste (grass, limbs, leaves, etc.), hazardous materials, paint, tires and commercial trash. The event is in addition to regular bulk waste disposal available throughout the year at the Waste Reduction Center located at 636 Meriwether Avenue. Up to three household items, are accepted free of charge during regular operating hours Tuesday - Friday, from 8 a.m. to 5 p.m., and Saturday from 8 a.m. – 3 p.m.

Materials such as oil and lead-based paints, lawn fertilizers, batteries and household chemicals may be taken to Louisville Metro's Household Hazardous Materials Collection Center, known as HAZ BIN, located at 7501 Grade Lane. The center is open on Wednesdays and Saturdays from 9 a.m. to 3 p.m. There is no charge for Louisville residents for HAZ BIN services. The junk disposal day is a partnership between the Louisville Metro Division of Solid Waste Management and Waste Management of Kentucky.

The City of Shively has several citizens that are actively involved in the safety of their community by forming block watches. These groups of concerned citizens take an active role by being observant for any criminal activity in their area. The Information that is gathered can aid the police in the investigation and prosecution of individuals that commit crimes. There are already several Shively citizens that have formed block watches in their areas. If anyone is interested in meeting with some of the block watches that are already established, you may contact Mitzi Kasitz at Shively City Hall, (502) 449-5000 or mitzi.kasitz@shivelyky.gov.
